The Secretary to Government,
Revenue Department,
BANGALORE

Sir,

I have the honour to forward herewith for favour of sanction and publication in the Mysore Gazette Preliminary Notifications/and declaration statements in duplicate both in English and Kannada in respect of the acquisition of properties noted therein of Shimoga village, required for Town extension

The estimated cost of acquisition including commuted assessment of Rs 977-6-0 has been got credited to Revenue Deposit in District Treasury in Challan No R D No 14/9-5-47 S Nos 10, 12 and 13 in question are Talari Umbli lands of Shimoga village Houses in these survey numbers are reported to have been allowed to spring up, the area being within Municipal limits, as far back as 1918 The matter was noticed in the year 1939-40 and action was taken to regularise the matter through acquisition The Index of lands extract enclosed shows that lands in the name of Shimoga Municipality A sketch showing the area occupied is enclosed in records ~~It is seen that out of the area occupied is enclosed to records~~ It is seen that out of the area of 6 acres 22 guntas now to be acquired 3 acres-5 guntas have been disposed of as sites and 3 acres-17 guntas are used for Roads parks etc It is further seen that the Municipality is not in a ~~possession~~ position to furnish information as to what exactly is the amount that was realised by the disposal of sites An way it could be said that conditions in 1918 being different from those obtaining at present, the realisations might after all be not high

In view of this and in view of the fact that more than half the area is occupied by Roads and open space the conversion fine may kindly be recommended for being waived, as a special case,- Since the question relates to 1918

The question of providing Talari service Inam will be taken up later if need be,

The hearing of objections under Section 5(a) is not necessary as this is a case of formal acquisition As the work is of an urgent nature I request that sanction may also be obtained to take possession of the said properties under section 17 of the Land Acquisition Act

The Sub Division Officer, Shimoga Sub Division may be appointed to perform the functions of a Deputy Commissioner under the Land Acquisition Act and authorised to take order of the acquisition of the lands in question
